

VIRTUAL DIGITAL MAGAZINE

Everything we do at *Native American Art* magazine is tailored to help you sell more artwork. We email the entire publication in digital format to our subscribers and VIP database, and this digital version arrives 10 days before the printed version of the magazine. All advertisers are included in this virtual magazine, with live links to their websites.

Awareness and reach are critical for an online gallery, and Native American Art gives me both. For example, an elegant piece of pottery featured in one article was noticed and purchased the first day that issue hit the street, and a necklace in another ad was also immediately purchased.

— Katie Richarme, owner, The Dancing Rabbit Gallery
